

# VITAPARTS AUTOMOBILE OIL FILTERS

## Vitaparts Range of Oil Filter.

# VITAFILTER V001

## Features:

- Effectively removes contaminants in engine oils.
- Manufactured to withstand harsh operating conditions.
- Helps maintain the life of your engine.
- Provides optimal engine performance.
- Direct OEM replacement.
- Quality construction and materials.
- 10,000 km oil change intervals.
- Optimized for both synthetic and conventional oil.

**Product Dimension:** 72mm x 68.4mm

**Item Weight:** 204g

**Thread Size:**  $\frac{3}{4}$  x 1.75mm

**OEM No.:** 90915-YZZF2, 90915-YZZE2

**Filter Paper Pore Size:** 5.5 microns.

# VITAFILTER V002

## Features:

- Effectively removes contaminants in engine oils.
- Manufactured to withstand harsh operating conditions.
- Helps maintain the life of your engine.
- Provides optimal engine performance.
- Direct OEM replacement.
- Quality construction and materials.
- 10,000km oil change intervals.
- Optimized for both synthetic and conventional oil.

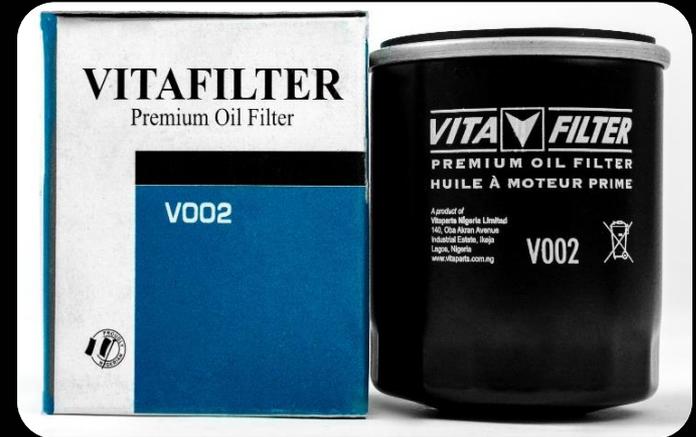

**Product Dimension:** 87mm X 70.8mm

**Item Weight:** 228g

**Thread Size:** M20 x 1.5mm

**OEM No.:** 15208-HA001, 15208-HC401, LF05-14-302B ,  
MD135735, MZ690115

**Filter Paper Pore Size:** 5.5 microns.

MITSUBISHI PEUGEOT HONDA

# VITAFILTER V003

## Features:

- Effectively removes contaminants in engine oils.
- Manufactured to withstand harsh operating conditions.
- Helps maintain the life of your engine.
- Provides optimal engine performance.
- Direct OEM replacement.
- Quality construction and materials.
- 10,000 km oil change intervals.
- Optimized for both synthetic and conventional oil.

**Product Dimension:** 87mm x 78mm

**Item Weight:** 280g

**Thread Size:**  $\frac{3}{4}$  x 1.75mm

**OEM No.:** 90915-YZZD3, 90915-YZZB5

**Filter Paper Pore Size:** 5.5 microns

# VITAFILTER CARTRIDGE P001

## Product Specifics

<b>Condition:</b>	New
<b>Manufacturer Part Number:</b>	P001
<b>Brand:</b>	Vitafilter
<b>Fitment Type:</b>	Direct Replacement
<b>Country/Region of Manufacture:</b>	Nigeria
<b>Interchange Part Number:</b>	04152-YZZA6, 04152-37010
<b>Box Size:</b>	7cm x 7cm x 6.5cm
<b>Box Weight:</b>	32 grams

# VITAFILTER CARTRIDGE P002

## Product specifics

<b>Condition:</b>	New
<b>Manufacturer Part Number:</b>	P002
<b>Brand:</b>	Vitafilter
<b>Fitment Type:</b>	Direct Replacement
<b>Country/Region of Manufacture:</b>	Nigeria
<b>Interchange Part Number:</b>	04152-YZZA1, 04152-31090
<b>Box Size:</b>	10.5cm x 8cm x 8cm
<b>Box Weight:</b>	58 grams

# VITAFILTER CARTRIDGE P003

## Product specifics

<b>Condition:</b>	New
<b>Manufacturer Part Number:</b>	P003
<b>Brand:</b>	Vitafilter
<b>Fitment Type:</b>	Direct Replacement
<b>Country/Region of Manufacture:</b>	Nigeria
<b>Interchange Part Number:</b>	04152-YZZA5, 04152-38010, 04152-31050, 04152-31060
<b>Box Size:</b>	12cm x 8cm x 8cm
<b>Box Weight:</b>	60 grams

# VITAFILTER CARTRIDGE P004

## Product specifics

<b>Condition:</b>	New
<b>Manufacturer Part Number:</b>	P004
<b>Brand:</b>	Vitafilter
<b>Fitment Type:</b>	Direct Replacement
<b>Country/Region of Manufacture:</b>	Nigeria
<b>Interchange Part Number:</b>	04152-38020, 04152YZZA4, 0415238020
<b>Box Size:</b>	15.5cm x 8cm x 8cm
<b>Box Weight:</b>	76 grams

# FAQ

**1. Question:** How many kilometers can your oil filter cover before change?

**Answer:** Vitafilter can cover up to 10000km. It always generally recommended to change oil filters between 5000km to 6000km.

**2. Question:** Can Vitafilter be used for Synthetic and Conventional or Mineral oil?

**Answer:** Yes, it can be used for any of the oil types.

**3. Question:** How effective is your products to engine Vibration?

**Answer:** The O-rings used in our products are of high quality with great elasticity property. The shore value is 40 as recommended by ISO.

**4. Question:** What is the filter paper type, is it cellulose or Synthetic fiber?

**Answer:** High grade cellulose filter paper. All its test parameters are within ISO standard such as burst strength, tearing strength, porosity and thickness.

**5. Question:** Can your filter be used for diesel and petrol engine car?

**Answer:** Yes, our oil filter can be used for both. The filter is specific for engine oil and not a fuel filter.

**6. Question:** Was your filter manufactured in Nigeria or Imported?

**Answer:** Our products were manufactured in Nigeria using the specified ISO standards.

**7. Question:** Do you deliver the products to the customers?

**Answer:** Yes, we deliver free in Lagos state, but at a cost to any part of the country.

**8. Question:** I hope Vitaparts will not reduce the quality when the products become well known?

**Answer:** Vitaparts, a subsidiary of Vitafoam, we are committed to improving, maintaining and making the quality of our products consistent. We have the sophisticated oil filter test equipment and we make sure our product conform to ISO standards.
